Fall/Winter 2020/2021 Registration

Dear Alleghany Families,

Our children need music in their lives more than ever and we are glad your child would like to participate in Alleghany JAM's music programs this fall. Due to the pandemic we have chosen to give private lessons (mostly online) to our students so they receive the highest quality instruction possible until we are able to safely gather in group classes again.

This semester we are pleased to offer classes in fiddle, banjo, guitar, mandolin, and dulcimer. Although private lessons usually cost a lot more than group classes we are keeping our tuition exactly the same for the fall semester (including discounts for those who need financial need or for families that have 2 or more kids at AJAM).

Our teachers are making videos to go along with private lessons on our Alleghany JAM Youtube channel plus we have a brand new 100+ page AJAM tune & songbook. Each registered student will get a free copy (a learning aid for our lessons). Space in our program is limited so register early to save your spot!

Important Info:

- Each student will get two 30-min lessons per week for 12 weeks with our teachers. Lessons begin September 7 and end December 1, 2020.
- Most lessons will be online (Zoom) but some in-person, private lessons may be possible. Contact us at alleghanyjainfo@gmail.com if you have questions.
- Parent/Guardians are responsible for driving their child to and from the AJAM house for in-person lessons. Safety precautions (face coverings, social distance, etc...) are required.
- Scheduling is flexible. Lessons can be scheduled directly with the teacher. Missed lessons will not be rescheduled. Good attendance is necessary to stay in the program.
- It is possible for two students to "buddy-up" and take lessons together on the same instrument if they are the same level. Please let us know if your child would like to do this and with whom.
- The best way to register is online at www.alleghanyjam.com. You can also print this registration form and mail it to Alleghany JAM, PO Box 1326, Sparta, NC, 28765.
- Please register by September 1st though we will still accept registrations until Sept.8th.

Cost:

- \$130/semester normal fee (pay in one payment or \$40/mo)
- \$70/semester reduced fee (pay in one payment or \$20/mo) - see chart

Fees (1st month payment or full semester fee) required at time of registration.

We depend on donations, grants and student fees to fund our program. We have always offered a reduced rate to families who were on free/reduced lunch to make JAM available to all!

Annual Income is Less Than	Household Size
