Practice is imperative for a student to advance in musical ability; therefore, instruments are made available to take home so that students will be able to practice during evenings and weekends. Please make sure they do. Instruments are delicate and easily damaged. Utmost care is required to keep them in playable condition. Students **MUST** be very careful and we ask that parents **NOT** allow siblings to “play” with these instruments.

**Any and all damage will be the sole responsibility of the parents. Instruments must be brought to all JAM classes and practices. Repeated failure to bring instrument may result in dismissal from the program. Replacement costs listed below.**
