

Big Eyed Rabbit

A **D**
Yonder comes a rabbit slippin' through the sand,

A
Shoot that rabbit, he don't mind,

E **A**
Fry him in my pan, Lord, fry him in my pan

(Chorus)

A **E**
Big-eyed rabbit's gone gone

E **A**
Big-eyed rabbit's gone

Yonder comes a rabbit fast as he can run,
If I see another one
gonna shoot him with a double-barrel gun,
shoot him with a double-barrel gun.

(Chorus)

Yonder comes my darlin', How do I know?
Know her by her pretty blue eyes,
Shining bright like gold, shining bright like gold
