But he couldn't get no letters from his home

A

Oh me, oh my

E A

Couldn't get no letters from his home

Well, you ought to been in town to see that train go down

You could hear that whistle blow 100 miles

Oh me, oh my, you could hear the whistle blow 100 miles

If you don't think that I'm gone watch this train that I'm on
and I'm 500 miles away from home

Oh me, oh my, I'm 500 miles away from home
