My mama sent me to the spring

She told me not to stay
G **D**
I fell in love with a pretty little boy

And there I stayed all day

Chorus

Hey! Chewing, chawing gum yum yum
G
Chewing, chawing gum yum
D
Chewing, chawing gum yum yum
G
Chewing, chawing gum.

First he gave me peaches
Next he gave me pears
Next he gave me 50 cents
To kiss him on the stairs

Chorus

Well I gave him back his ol peaches
Gave him back his ol pears
Gave him back his ol fifty cents
And I kicked him down the stairs
